GARDEN CLUB MEMBERSHIP

THE IDAHO BOTANICAL GARDEN offers a unique opportunity for organizations to make connections with the natural world while meeting organization goals for giving to the community.

Located in Boise’s Old Penitentiary Historic District, the Idaho Botanical Garden is dedicated to enhancing our community’s quality of life through fostering a love of nature and developing intellectual curiosity in people of all ages. Originally the site of the tree nursery and grounds of the State Penitentiary, the Garden is a living museum.

THE GARDEN provides enriching garden experiences through educational programs, botanical collections, a variety of entertainment, cultural and community events in addition to providing a refreshing and inspiring year-round outdoor destination for local residents and out-of-town visitors.

The Idaho Botanical Garden is a 501 (c) 3 nonprofit organization. As a private entity, it receives no city, state or federal government funding for operations. Instead, the Garden relies on memberships, program fees and donations to sustain educational programming and plant collections and to enable future development.
