

PERENNIAL SOCIETY

Just as a perennial develops a deep root system to support and nurture the plant year after year, members of the *Perennial Society* build an ongoing financial foundation for the Garden. *Perennial Society* members understand the need to invest deeply and consistently in the Idaho Botanical Garden to ensure the best yield.

This dedication enables the Idaho Botanical Garden to thrive as a unique educational and cultural resource for all of Idaho and beyond.

IDAHO BOTANICAL GARDEN

Located at the base of the Boise foothills in the Old Penitentiary Historic District, the Idaho Botanical Garden has been a favored destination in the Treasure Valley for **twenty-five** years.

The nonprofit 501(c)(3) Idaho Botanical Garden relies on its members — at all levels — to maintain and expand its ability to provide an inspirational and educational experience for every visitor.

Members who give at the \$1,000 level, or higher, are part of a special group of community leaders and garden lovers who know the importance of investing in the Idaho Botanical Garden.

The *Perennial Society* — the Idaho Botanical Garden's premier donor recognition society — honors these individuals.

Please see inside for details.
