
Easy Rustic Cobbler

Serves 8

This recipe is so easy to remember, I think of it as the 1-1-1 recipe because there is one cup each of flour, sugar, and milk. It's also easy to make. Any kind of fruit will do here! Fresh, canned, or frozen – all will be delicious. My family especially likes this with a combination of berries like blueberries, blackberries, and strawberries and stone fruit like nectarines, peaches, or apricots. It's perfect for a summer picnic but also a crowd pleaser any time of year!

Ingredients

- 1/4 cup butter (1/2 stick)
- 1/2 cup all-purpose flour
- 1/2 cup whole wheat flour
- 1 scant cup sugar
- 1 cup milk (2% or whole preferable)
- 1 tsp. vanilla extract
- 4 cups fruit of choice

Instructions

Heat oven to 350°. In a 9x9 oven safe baking dish, melt the butter in the oven. Whisk the flour and sugar together. Whisk in the milk and vanilla. Remove dish with melted butter from the oven and pour in the batter. Add the fruit on top and bake for 50- 60 minutes until top is golden and bubbly. Serve with ice cream.
