We’re going on an adventure!

Make your way up through the Garden (and back in time) to our Lewis & Clark Garden.

It’s 1803 and you are ready to embark on the adventure of a lifetime! President Thomas Jefferson has asked you to cross the western part of the United States after the historic Louisiana Purchase! You’ve got a long journey ahead of you.

**Your Objectives**

- Study Plants & Animals
- Record Geographical Information
- Get Back Safe!

**Choose your Character**

Capt. Meriwether Lewis

- Botanist & Herbalist

William Clark

- Cartographer & Hunting Expert
Identify & draw these plants:

- Sage Brush
- Prickly Pear Cactus
- Syringa

The Syringa is the Idaho State flower!

From the top of Promontory Point identify any major geographical features you can see.

Did you include the Prison? The Zions Bank Building?
